DETAILED ACTION

1. Claims 29-56 are allowed.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach the following limitation: "based on said log that is associated with said first database, identifying first data; generating second data based on said first data; and sending said second data to said second database" as recited in independent claim 29 and similarly recited in independent claim 43.

The remaining claims 30-42 and 44-56 comprise dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

The examiner agrees with the applicants' remarks, filed on July 27, 2004, page 3 lines 14-24, page 4 lines 1-23, page 5 lines 1-23, and page 6 lines 1-22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
